

**Global Day of Prayer 2007
27 May 2007**

Ottawa venue: Dominion-Chalmers Church
355 Cooper St. / O'Connor
www.gdopottawa.com

The Global Day of Prayer began as a vision God gave South African businessman Graham Power in Capetown in 2001. By 2004, Christians in all 56 countries on the African continent prayed together. The grass-roots phenomenon then spread from Africa to touch the world. By 2010, the movement is expected to unite 500 million people as they pray together. In 2007 we expect to see significant numbers as we gather at Dominion-Chalmers in the heart of the city for a glorious gathering of prayer and praise with choirs and international content on Pentecost Sunday, 27 May 2007. It will begin at 2pm and run till about 4:30. To make it easier for whole families to come, children's ministry will be offered this year under the leadership of Jerry and Bonnie Wallace (ages 5-10) and Dayna Dixon (3-4). There will also be a quiet room for parents with children.

MISSION: To call Christians in our National Capital Region to unite in repentance and prayer with others worldwide, and work together as God's servants for the blessing and healing of all Nations.

Children's ministry : Jerry and Bonnie have been ministering to families since 1979. Their unique blend of art and music has taken them across Canada and the U.S. sharing Jesus' love for children. Jerry appears on "**Truth Quake**" on the CTS network. **Dayna Dixon** not only has a passionate love for God but also a desire to share that love with children and a vision of preparing children to serve the Lord by helping them minister in worship and prayer. This will be a fun time for your children as they also will be encouraged to pray for others.

We welcome qualified church youth leaders who can assist these leaders in watching over the children. If you plan to bring children, it would assist our planning greatly to know numbers and ages. Information on both these matters can be sent to Rev Fred Milnes, 613-592-3689, or fred@gdopottawa.com.

Further info about the Global Day of Prayer, including audio and video downloads is available at www.gdopottawa.com
